TAKE ORDERS ANYWHERE—ONLINE OR OFFLINE— FOR UNINTERRUPTED EFFICIENCY

OrderTab transforms your restaurant operations with its portable design, combining the functionality of a POS station in the palm of your hand. Spend more time with guests, making service faster and checkouts quicker.

- » **Take Orders on the Go** - With OrderTab, your staff can take orders from anywhere in the restaurant, ensuring swift and efficient service. Whether at the table, at the bar, or even outdoors, OrderTab keeps your service running smoothly.
- » **Ensure Uninterrupted Operations with Build In Redundancy** - Enjoy seamless online and offline ordering capabilities.
- » **Pay at the Table** - Accept various payment methods at the table, including EMV and card, and print receipts instantly for a faster, more convenient checkout experience.
- » **Print Receipts Immediately & Speed Up Checkouts**
